

LIMC Minutes

May 10, 2015 meeting at Lancaster Township

1. Call to Order

The meeting was called to order by Chairman Blowers who led the Pledge.

1. Establish Quorum

Quorum and the introductions of guest see attached list.

1. Minutes

The minutes were approved, motion by James R and seconded Barry.

1. Public Comment

The Lancaster Clean Water Consortium came to speak to the LIMC. See the attached information sheet. The spoke about the benefit and the work of the LCCWC. The main area are the deliverables for the future, education, TMDL, and quarterly meetings with DEP.

1. Treasure's Report

Ryan from Manor Township give a report of the process of the accounting and the check writing system that will be used. Because of the new system of dues, members will be billed in three payments of \$500. The billing will be retro active to the first of the year. This was past by a motion from Kent West Hempfield and seconded by Kathy Lancaster Township.

1. Municipal Stormwater

There was discussion and voted on continue to support the LCCWC for the next year.

1. Updates

LUAB had requested that LIMC ask ELA to attend LIMC meeting and review Growing Together Survey. We will try to get ELA for the August meeting.

SGT Project, we will need 3 from the LIMC and 3 from the city. The County will be involved in the process but not in the bidding. Green Ways and Trails not mentioned and discussion on it and Growing Together.

There was discussion of the office transition and a meeting with the University. September 12 is the date for the University day of sharing. We will need to find projects within our community.

1. Municipal Exchange

East Lampeter will have a streetscape project 164 million project

Lancaster Township talked about the radio system and road bid information for asphalt.

Lancaster City has the central market project

Columbia Borough had the river front park.
Mountville Borough Mountville Days starts today.

1. Old Business

A road masters meeting will be organized by Lancaster Township

A motion was made by Kathy Wasong, Lancaster Township and seconded by Leo Lutz, Columbia Borough to allow a manager to serve as an officer in the organization. There was discussion that there should always be more elected officials. Motion passed.

There was a short discussion on the Governor's Award.
